## 7th International Conference

Zagreb, 21-22 November 2019

Faculty of Humanities and Social Sciences  
University of Zagreb

<http://infoz.ffzg.hr/infuture/>

The Future of Information Sciences (INFuture) is a series of biennial international conferences aimed at researchers and professionals from the broad field of information and communication sciences and related professions.

The objective of the conference is to provide a platform for discussing both theoretical and practical issues in information organization, information integration and digital communication practices.

### TOPICS (in brief)

1. Digital Heritage (DH)
2. Information Systems and Management (IS&M)
3. Language and Data Technologies (L&DT)
4. Integration of ICT in Education (ICTIE)
5. Media and Communication (M&C)

Official language of the conference is English. All papers undergo international double-blind peer review and are indexed by EBSCO.

### Important dates

|            |                                       |
|------------|---------------------------------------|
| 15/5/2019  | Deadline for abstract submission      |
| 1/6/2019   | Notification of abstract acceptance   |
| 31/08/2019 | Deadline for camera-ready papers      |
| 1/10/2019  | Deadline for paper reviews            |
| 1/11/2019  | Deadline for final versions of papers |

All abstract and papers should be written according to the conference [submission guidelines](#) and uploaded through the conference [online submission system](#).

### Participants

Each participant must register in order to attend the conference.

### Authors

At least one (co)author of each paper must be registered for the conference and present the paper in order for the paper to be included in the conference and published. There is a maximum of two papers per author.

### Registration dates

**Early** - up to 31/08/2019

**Standard** - from 01/09/2019 to 8/11/2019
